HANAMI

Hand painted brushstrokes align in this new artistic and decorative feature design. Hanami, is an elegant stripe pattern. Shown in 10 colour ways, Hanami shimmers when paired with a metallic background texture. Other colourings are created with matte inks and just a hint of metallic in an accent stage. Hanami will be a stunning choice as a unique focal wall for hotels, retail, restaurants and high-end multi-family public spaces. Hanami's coordinate, Hanami Silk is simple yet sophisticated.

HANAMI SILK

Simple yet sophisticated, Hanami Silk is the direct companion of Hanami. This simple sophisticated, new versatile volume texture is applicable for any interior space. Offered in metallic as well as matte colors, it is available in 18 colourations to coordinate to Hanami.
